

DISABLED WOMEN'S INTERNATIONAL MEETING

The Cuban Association of Disabled Peoples (ACLIFIM) calls to the First Disabled Women's International Meeting to be held on November-18-21, 2008 at the Havana International Conference Center, Havana, Cuba.

The objective of this meeting is to exchange experiences on the integration to society of disabled women.

The meeting will be opened to all disabled persons, as well as to students and professionals interested in the topics to be discussed.

We look forward to your presence. You are already welcome.

BASIS FOR PRESENTATION OF WORKS

Interested persons will be able to present papers, individual communiqués, panels, and round tables resulting from theoretical studies, researches carried out or actual life testimony.

The organizers of this meeting express their gratitude to those presenting papers, the free permission to publish papers and participation. If so accepted, it should be expressly included in the résumé.

Résumés of papers, communiqués, panels or round tables must be sent to the Organizing Committee **prior to september 18th, 2008, and the whole work prior to November 1st, 2008, including:**

- full name of author/s clearly stating who is/are going to deliver the presentation
- country
- title of the work
- type of presentation and audio-visual means needed for the presentation
- brief résumé of the curriculum vitae of the speaker so as to be introduced to the session by the coordinator
- institution or organization to which she or he belongs
- e-mail, telephone or fax number

WORKS MUST COMPLY WITH THE FOLLOWING:

- résumés must be no more than 200 words long;
- communiqués must have no more than 10 pages, while papers could have up to 20 pages. Panels and round tables will have a maximum of 5 participants. Each one with presentations not exceed the 12 pages;
- a copy in magnetic support must be handed;
- résumés and papers electronically sent must be as files of the text processor Word, version 6.0 or higher, in Arial 12 letters, and one line spaced.

The Scientific Committee will select the works to be presented, and will program their time – table, this includes master lectures, by renown personalities – national and international -, will decide the number of commissions to meet in keeping with the papers received. It will inform the participants the works which have been chosen, by e-mail.

At debates and exhibits, priority will be granted to disabled women.
